Arrival Time

Dancers should arrive 5 minutes prior to their picture time in full hair, makeup and costume - ready to take photos!

Arrival Location

Dancers should be dropped off in their regular studio room. If unsure, studio assignments are on this schedule.

Pick Up Details

Dancers will be released from studio 1 (picture room) immediately after their pictures have been taken.

If dancers have multiple or back to back classes, they may stay and get changed in the back dressing room.

If dancer is done, you guys are free to go!

We recommend having (1) parent or guardian staying for the duration of photo time, since this week's schedule is slightly different from a normal week. We want to make sure all kids get picked up safely.

Disclaimer These times are strictly estimated, based off how long we predict each class will take for pictures. Sometimes, these times will fluctuate by a couple of minutes. Please keep this in mind!
